Section 1: Instructions to Offerors

1. **Introduction:** The Advancing Universal Health Coverage (AUHC) Activity is a USAID funded health initiative, implemented by Chemonics International, to assist the goals of the Government of Bangladesh to significantly expand access to safe, affordable and quality health services, while increasing financial protection, particularly of the poor, in support of the Government of Bangladesh's National Health Care Financing Strategy (2012-2032), under which Universal Health Coverage is a key priority.

As part of project activities, AUHC is assisting SHN in refreshing their clinic premises and rolling out a new branding profile. As a result, SHN's clinics will require new signage, include clinic building signs, satellite spot banners, and directional arrows.

Offerors are responsible for ensuring that their offers are received by Chemonics in accordance with the instructions, terms, and conditions described in this RFQ. Failure to adhere with instructions described in this RFQ may lead to disqualification of an offer from consideration.

2. **Offer Deadline and Protocol:** Offers must be received no later than 6:00PM local Dhaka time on August 20, 2019 by only email to procurement@auhproject.org.
