Evaluation & Award of Contract

The decision for the award of contract will be determined via standard value method (Credit points divided by total price; ratio 50/50%).

Credit points will be added up through the following criteria:

- Cost,
- Quality of goods (product samples),
- Proof of treatment of bamboo (method & source),
- Proof of experience/credentials for equivalent services,
- Time of delivery,
- Payment terms.

Score for each criterion is either 0 (inadmissible), 1 (bad), 2 (satisfactory), 3 (good), 4 (very good), 5 (excellent). In case of equal results the offer with the higher credit point score will be awarded.

In case of competitive procedure GRC reserves the right to award a contract based on the first non-negotiated offer.

Furthermore IFRC/GRC reserves the right to accept or reject any or all tenders or split and reduce the order and the scope of work without assigning any reason whatsoever and bound to accept the lowest bid.
