Therefore, Suppliers and/or Affiliates and their staff (i.e. World Vision partners, suppliers, contractors, consultants, and/or volunteers), shall behave in ways that protect children or adult beneficiaries, prevent sexual exploitation and abuse, and prevent any other intentional or unintentional harm to the people WV serves or works amongst.

All Suppliers and Affiliates abide by these protocols in their activities with WV, for all children anywhere and for all adult beneficiaries. In regards to safeguarding, WV uses a broad, working definition of 'beneficiary' to include not only direct beneficiaries of a particular project, but also any child or adult who might suffer harm caused by Suppliers or Affiliates as part of conducting business with WV where WV has programme presence.

Acceptable Behaviour – Suppliers and Affiliates (and their staff):

- a) create and maintain an environment which prevents sexual exploitation and abuse of children and adult beneficiaries and promotes the implementation of these Behaviour Protocols;

- j) comply with applicable data privacy laws and with relevant WV data privacy and information security policies, including WV digital child safeguarding protocols, when handling any personal data about individual children or adult beneficiaries, noting in general that collecting or using suchdata must be limited to the minimum necessary, and that such data must be maintained and transferred in a secure, confidential manner;
- k) immediately report through established reporting mechanisms any known or suspected safeguarding incident or breach of this Policy by a WV employee or affiliate, or a humanitarian aidworker from any other agency. 'Humanitarian aid worker' includes all paid employees, volunteers, contractors, and other affiliates of organisations providing emergency relief or development aid. Such organisations include UN agencies, INGOs, LNGOs, and CBOs.
